### ACADEMIC APPOINTMENTS

- 2012- Assistant Professor, Department of Pediatric Gastroenterology, Hepatology, and Nutrition, The University of Chicago, Chicago, IL
- 2014- Director of Pediatric Clinical Research, The University of Chicago Celiac Disease Center, Chicago, IL
- 2014- Director of the Pediatric Video Capsule Endoscopy Program, The University of Chicago Medicine, Chicago, IL
- 2014- Director of the GI targeted hypnotherapy Program, The University of Chicago Medicine, Chicago IL
- 2020- Co-director Pediatric Gastroenterology endoscopy Program, The University of Chicago Medicine, Chicago IL

### ACADEMIC TRAINING

- 1997-2001 BA (Visual Arts), Brown University, Providence, RI
- 2001-2006 MD, Brown Alpert Medical School, Providence, Rhode Island
- 2006-2009 Resident in Pediatrics, Children's Hospital of Pittsburgh of UPMC. Community-Oriented Resident Education (CORE) Member- Specialized pediatric training program training leaders in community health and child advocacy
- 2009-2012 Research Fellow, Division of Gastroenterology, Hepatology, and Nutrition, Division of Pediatrics, Ann & Robert H. Lurie Children's Hospital of Chicago, Chicago, IL
- 2010-2012 MSCI, Feinberg School of Medicine, Northwestern University, Chicago, IL
- 2013- Completion of the 2013 NPHTI Introductory Pediatric Clinical Hypnosis Workshop, University of Minnesota Medical School, Chaska, MN

### LICENSING AND BOARD CERTIFICATION

- 2006 Pennsylvania # 188640 – inactive
- 2009 Illinois # 036123852 – active
- 2012 Indiana # 01071775A – active
- 2009 American Board of Pediatrics # 1006274
- 2009 General Pediatrics Board Certified # 96100 – 10/12/09, exp 10/16
- 2013 Pediatric Gastroenterology Board Certified # 1361 – 11/18/13

## SCHOLARSHIP

### (a) Peer-reviewed publications in the primary literature, exclusive of abstracts:

1. Fabre A, Charroux B, Martinez-Vinson C, Roquelaure B, Odul E, Sayar E, **Smith H**, Colomb V, Andre N, Hugot JP, Goulet O, Lacoste C, Sarles J, Royet J, Levy N, Badens C. 2012. SKIV2L Mutations Cause Syndromic Diarrhea, or Trichohepatoenteric Syndrome. *The American Journal of Human Genetics*. 90(4): 689-692.
2. Ehrenpreis E, Deepak P, Stobaugh DJ, **Jericho H**, Saps M. 2013. A Computer- Fitted BiPhasic Emptying Model (CBEM) Increases the Yield of Scintigraphic Gastric Emptying (SGE) Studies in Children With Upper GI Symptoms. *Gastroenterology*. May; 144(5): S729-S729
3. **Jericho H**, Adams P, Zhang G, Saps M. 2014. Nausea predicts delayed gastric emptying in children. *J Pediatr*. Jan;164(1):89-92
4. Guandalini S, **Jericho H**. 2014. Review: Celiac Disease and Gluten Related Disorders. *Adolesc Med State Art Rev*. Aug; 25(2):409-424
5. **Jericho H**, Kaur E, Boverhof R, Knisely A, Shneider B, Verkhade HJ, Whittington PF. 2015. Bile Acid Pool Dynamics in Progressive Familial Intrahepatic Cholestasis with Partial External Bile Diversion. *JPGN*. Mar;60(3):368-74
6. Cordova J, Weinstein D, Purser M, Gokhale R, **Jericho H**, Sentongo T. 2016. Manifestations of Cow's-Milk Protein Intolerance in Preterm Infants. *JPGN*. Jan;62(1):140-4.
7. Cordova J, **Jericho H**, Azzam R. 2016. An Overview of Cirrhosis in Children. *Pediatr Ann*. Dec 1;45(12):e427-e432.
8. **Jericho H**, Assiri A, Guandalini S. 2017. Celiac Disease and Wheat Intolerance Syndrome: a Critical Update and Reappraisal. *JPGN*. Jan;64(1):15-21.
9. **Jericho H**, Sansotta N, Guandalini S. 2017. Extra-intestinal Manifestations of Celiac Disease: Effectiveness of the Gluten Free Diet. *JPGN*. Jul;65(1):75-79.
10. Sansotta N, Guandalini S, Amirikian K, **Jericho H**. 2018. Celiac Disease Symptom Resolution: Effectiveness of the Gluten Free diet. *JPGN*. Jan;66(1):48-52
11. **Jericho H**, Guandalini S. 2018. Celiac Disease. *Current Pediatric Reports*. March; 6(1):40-49.
12. **Jericho H**, Guandalini S. 2018. Extra-intestinal Manifestation of Celiac Disease in Children. *Nutrients*. June; 10(6), 755
13. Amirikian K, Sansotta N, Guandalini S, **Jericho H**. 2019. Effect of the gluten free diet on body mass indexes in pediatric celiac patients. *JPGN*. March; 68(3):360-363.
14. Mayassi T, Ladell K, Gudjonson H, McLaren J, Tran M, Rokicka J, Lawrence I, Unen V, Ciszewski C, Dimaano M, Sayegh H, Gokhale R, **Jericho H**, Semrad C, Guandalini S, Dinner A, Kupfer S, Reid H, Rossjohn J, Price D, Jabri B. 2019. Dietary gluten permanently reshapes the tissue-resident  $\gamma\delta$  intraepithelial T cell compartment in celiac disease. *Cell*. Feb;176(5):967-981.e19.
15. Mataya L, Silvester J, **Jericho H**. 2019. Can we ignore the utility of deamidated gliadin peptide in the diagnosis of celiac disease in children? Letter to the editor. *JPGN*. July;69(3):e23
16. Sansotta N, Guandalini S, Romano S, Amirikian K, Cipolli M, Tridello G, Barzaghi S, **Jericho H**. 2020. The gluten free diet's impact on growth in children with celiac disease in two different countries. *Nutrients*. May;12(6):1547
17. Runde J, **Jericho H**. 2020. A Narrow Window: Booming Gluten-free Market and Fostering Healthy Dietary Habits in Children With Celiac Disease. *JPGN*. Oct;71(4):533-535
18. Capone K, Sansotta N, Vohra P, **Jericho H**, Guandalini S. 2020. Milk Protein-Induced Villous Atrophy and Elevated Serologies in Four Children with Celiac Disease on a Gluten-Free Diet. *Ann Pediatr*. Aug;3(1):1028.

19. Rao A, **Jericho H**, Patton T, Sriram S, Hebert T, Weinstein D, Pompeii-Wolfe C, Wroblewski K, Sentongo T. Factors Affecting Selenium Status in Infants on Parenteral Nutrition Therapy. JPGN. Accepted for publication.
20. Volta U, Bancel B, Setia N, **Jericho H**, Rostami K. The role of role of IEL in coeliac disease with mild enteropathy. Cell. Accepted for publication.
21. **Jericho H**, Khan N, Cordova J, Sansotta N, Guandalini S, Keenan K. Call for action: High rates of depression in the pediatric celiac disease population impacts quality of life. JPGN reports. Accepted for publication.

(b) Peer-reviewed works in 'non-traditional' outlets:

1. Guandalini S, **Jericho H**. 2014. Commentary to Usefulness of Symptoms to Screen for Celiac Disease. Year Book of Pediatrics. Published.
2. Guandalini S, **Jericho H**. 2015. Commentary to Introduction of Gluten, HLA Status, and the Risk of Celiac Disease in Children. Year Book of Pediatrics. Published.
3. **Jericho H**. January 2017. Extra-intestinal Manifestations of Celiac Disease. The University of Chicago Celiac Disease Center Newsletter: Impact. Published.
4. **Jericho H**. October 2017. Eating Disorders in Celiac Disease. The University of Chicago Celiac Disease Center Newsletter: Impact. Published.
5. **Jericho H**. January 2018. GI symptoms of celiac disease resolve better in kids following a gluten-free diet. The University of Chicago, Comer Children's Hospital 2017 Annual Report. <https://www.uchicagokidshospital.org/annual-report/2017/genomics-organ-physiology/gastroenterology/>
6. Website content creation: <https://gikids.org/digestive-topics/magnet-ingestion>; <https://gikids.org/digestive-topics/lactose-intolerance>; <https://gikids.org/ceeliac-disease>

(c) Peer-reviewed works accepted or in press: Not applicable

(d) Non-peer-reviewed original articles: Not applicable

(e) Books: Not applicable

(f) Book chapters:

1. **Smith H**, Jabre-Raughley M, Frishman GN. 2007. Female Reproductive System Disorders. In Cavendish M, ed. Diseases and Disorders The Brown Reference Group. United Kingdom. 345-353
2. **Smith H**, Rosen M, Cedars M. 2009. Chapter 38: Adolescent Menstrual Disorders. Pediatric Endocrinology and inborn errors of metabolism. The McGraw-Hill Companies. 601-61.
3. **Jericho H**, Guandalini S. 2020. Pediatric Celiac Disease; Diagnosis and Management of Gluten-Associated Disorders: A Clinical Casebook. Springer Nature. 40-49.

(g) Case Reports:

1. **Jericho H**, Weinstein J, Melin-Aldana H, Leuer KC, Wyers M, Alonso EM, Ekong UD. 2014. Successful treatment with rituximab of an epstein-barr virus-associated leiomyosarcoma occurring after liver transplantation. J Pediatr Gastroenterol Nutr. Jan;58(1):e2-4

(h) Abstracts:

1. **Jericho H**, Adams P, Zhang G, Saps M. Nausea predicts delayed gastric emptying in children. Accepted at the 2012 ANMS Gastrointestinal Motility & Neurogastroenterology

- Annual Meeting. Poster presentation at NASPGHAN, Salt Lake City, 2012 and DDW, Orlando, 2013.
2. Ehrenpreis E, Deepak P, Stobaugh D, **Jericho H**, Saps M. A Computer- Fitted Biphasic Emptying Model (CBEM) Increases the Yield of Scintigraphic Gastric Emptying (SGE) Studies in Children with Upper GI Symptoms. Poster of distinction at DDW, Orlando, 2013.
  3. Sansotta N, **Jericho H**, Guandalini S. Improvement of Extra-intestinal Manifestations of Celiac Disease on a Gluten Free Diet in Children Compared to Adults. Poster presentations at the 16<sup>th</sup> annual International Celiac Disease Symposium , Prague, Czech Republic and NASPGHAN annual meeting, Washington, DC, 2015.
  4. Cordova J, **Jericho H**, Keenan K, Guandalini S. Optimizing Behavioral Health Among Adolescents with Celiac Disease. Poster presentations at the 16<sup>th</sup> annual International Celiac Disease Symposium , Prague, Czech Republic and NASPGHAN annual meeting, Washington, DC, 2015.
  5. Sansotta N, **Jericho H**, Guandalini S. Improvement of Gastrointestinal Manifestations of Celiac Disease on a Gluten Free Diet in Children Compared to Adults. Poster presentation at the NASPGHAN annual meeting, Toronto, Canada, 2016 and DDW annual meeting, Chicago, IL, 2017.
  6. Mataya L, Silvester J, **Jericho H**. Can we ignore the utility of deamidated gliadin peptide in the diagnosis of celiac disease in children? Poster presentation at the NASPGHAN annual meeting, Las Vegas, NV 2018.
  7. Capone K, Sansotta N, Vohra P, **Jericho H**, Guandalini S. Milk protein-induced villous atrophy and elevated serologies in four children with celiac disease on a gluten-free diet. Poster Presentation at the ICDS 2019, Paris, France.
  8. **Jericho H**, Cordova J, McKiernan D, Shilson C, Guandalini S, Keenan K. 2018. High rates of depression found in adolescent celiac patients. Poster Presentation at the ICDS 2019, Paris, France.

## **FUNDING**

### (a) Past:

1. Children's Research Foundation Grant. "Bile Salt Kinetics In Children With Genetic Cholestasis and Bile Diversion Therapy". Total direct costs: \$3,750. Role: Clinical Investigator

### (b) Current:

1. Recipient of the 2015 Pediatric Faculty Scholar Award granting up to \$25,000 for a clinical investigator focused on a project that involves pediatric human research subjects. Role: Primary Investigator.

### (c) Pending:

Not applicable

## **HONORS, PRIZES, AND AWARDS**

- |      |  |
|------|--|
| 2010 | Recipient of the 2010 Clinical Departments of Children's Memorial Hospital (CMMC) and Children's Memorial Research Center (CMRC) Tuition Scholarship awarding 50% of the total tuition costs for enrollment in the Master of Science in Clinical Investigation (MSCI) program at Northwestern University.  |
| 2011 | Recipient of the 2011 Study of Pediatric Liver Transplant (SPLIT) travel grant award for the 2011 SPLIT Annual Meeting, offered to 3 applicants, and covered the cost of all travel, lodging and meeting expenses.   |
| 2012 | Recipient of the Young Investigator Forum Award for the 2012 ANMS 7th Postgraduate Course on Gastrointestinal Motility & Neurogastroenterology in Clinical Practice in Chicago, IL to present my research entitled, "Retching: a Predictor of Delayed Gastric emptying in Children." This award, offered to 15 applicants, provided a one-on-one mentoring program and covered all travel and postgraduate course costs. |
| 2013 | Selected to attend the NASPGHAN Nutrition University (N <sup>2</sup> U) Conference held in Chicago, IL in April 2013. This course was designed to provide specialized nutrition education in areas associated with the practice of pediatric gastroenterology and nutrition.   |
| 2014 | Recipient of the 2015 Pediatric Faculty Scholar Award granting up to \$25,000 for a clinical investigator focused on a project that involves pediatric human research subjects. Two percent protected time granted.  |

## **INVITED SPEAKING**

### EXTRAMURAL

- |         |  |
|---------|--|
| 11/2011 | Invited Speaker, American Association for the Study of Liver Diseases Annual Meeting, "Autoimmune Hepatitis Is Associated with Immunoregulatory Dysfunction." New Orleans, LA          |
| 10/2012 | Invited Speaker, American Association for the Study of Liver Diseases Annual Meeting, "Bile salt kinetics in children with genetic cholestasis and bile diversion therapy." Boston, MA |
| 8/2013  | Invited Speaker, Presence Resurrection Medical Center Morning Report, "Hyperbilirubinemia in the newborn: When to worry?" Chicago, IL  |
| 10/2014 | Keynote Lecture, Annual Iowa Celiac Conference, "Advances in Celiac Disease." Iowa City, IA  |

- 10/2014 Moderator, NASPGHAN Annual Meeting, "Virtual celiac disease: the spectrum of gluten related disorders session." Atlanta, GA
- 11/2014 Invited Speaker, Healthy Living with Diabetes Family Fair, "*Advances in the field of type I DM and Celiac Disease.*" Palos Hills, IL
- 10/2015 Invited Speaker with Dr. Stefano Guandalini, NASPGHAN Annual Meeting Learning Lunch, "Gluten sensitivity, more than a fad: a case based discussion." Washington, DC
- 03/2016 Invited Speaker, UPS for DownS annual parent's meeting, "Celiac Disease and Down's Syndrome." Elk Grove Village, IL
- 09/2016 Invited Keynote Speaker, Yale Pediatric Endoscopy Course, "Video Capsule Endoscopy, The pediatric perspective." New Haven, CT.
- 09/2016 Invited speaker, Community Hospital Grand Rounds, "Constipation in Children, a Not so Simple Problem," Community Hospital, Munster, IN
- 4/2017 Invited Speaker, Medtronic sponsored educational program, "Video Capsule Endoscopy for Pediatric Patients." Merrillville, IN
- 2/2018 Keynote Lecture, Annual Tri-County Celiac Support Group, "The latest on celiac standards and research" Farmington Hills, MI
- 9/2018 Keynote Lecture, Annual Iowa Celiac Conference, "Advances in Celiac Disease." Iowa City, IA
- 10/2018 Invited Speaker, NASPGHAN Annual Meeting Nutrition Symposium, "Optimal Diagnosis and Management of Celiac Disease." Hollywood, FL.
- 12/2018 Invited Speaker, The A4M Conference, "Gluten Related Disorders." Las Vegas, NV.
- 10/2020 Invited Speaker, CME Webinar – Clinical Pearls in Pediatric Gastroenterology for the Primary Care Physician, "Constipation in Kids." Chicago, IL
- 2/2021 Invited Speaker, Medtronic sponsored educational program, "Video Capsule Endoscopy for Pediatric Patients." Virtual lecture.
- 5/2021 Invited speaker, Community Hospital Grand Rounds, "The latest on celiac standards and research," Community Hospital, Munster, IN

INTRAMURAL

- 12/2014 Invited Speaker, The University of Chicago Celiac Disease Center Preceptorship Program, "Puzzling Celiac Kids." Chicago, IL

- 5/2017 Participant. Spring Flours Annual Benefit. Chicago, IL
- 10/2017 Participant. Annual celiac disease blood screening. The University of Chicago. Chicago, IL.
- 4/2018 Participant. Spring Flours Annual Benefit. Chicago, IL
- 11/2019 Participant. New Frontiers in Therapies for Celiac Disease. The University of Chicago, Chicago, IL

### **PROFESSIONAL SOCIETIES**

- AAP (American Academy of Pediatrics)
- NASPGHAN (North American Society of Pediatric Gastroenterology, Hepatology and Nutrition)
- AASLD (American Association for the Study of Liver Disease)
- AGA (American Gastroenterological Association)
- SPLIT (Study of Pediatric Liver Transplant)
- NASSCD (North American Society for the Study of Celiac Disease)

### **EDUCATION**

#### Brown University (BA):

- 1998-2001 Art Coordinator, Project Health: Asthma Swim

#### Brown Medical School (MD):

- 2001-2004 Community Service Rep, Medical School Senate
- 2002-2004 Founder and Coordinator, Fast Food Facts, Providence, RI
- 2002 Faculty Leader, National Youth Leadership Forum on Medicine, Boston, MA
- 2003 Faculty Leader, National Youth Leadership Forum on Medicine, Los Angeles, CA
- 2006 Educator, Project Health, Progresso Latino, Central Falls, RI

2006 Student, Centro Panamericano de Idiomas (CPI), Heredia, Costa Rica. 6 week medical Spanish immersion program. Spent 2-3 days weekly volunteering in local communities and medical clinics.

Pritzker School of Medicine (M.D.):

(a) Didactic: None

2012- 2-4, 1-hour, pediatric gastroenterology, hepatology, and nutrition related journal clubs per year for medical students

(b) Clinical:

2012- Daily rounding including ~2 medical students during 6 weeks per year on service

2012-2015 3 half-day clinics per week including ~1 medical student during 8 weeks per year

2015- 4 half-day clinics per week including ~1 medical student during 8 weeks per year

2019- 4.25 half-day clinics per week including ~1 medical student during 8 weeks per year

Graduate medical education:

(a) Didactic:

2012- 2-4, 1-hour, pediatric gastroenterology, hepatology, and nutrition related journal clubs per year for residents, fellows, staff, and faculty

2012- 6-12, 1-hour, pediatric resident and fellow didactic sessions per year

10/2013 'Abdominal Pain in Children', Pediatric Resident Morning Report Comer Children's Hospital. 1 hour.

10/2013 'Acute GI Bleeding in Children', Pediatric Emergency Medicine Morning Report, Comer Children's Hospital. 1 hour.

12/2013 'Acute GI Bleeding in Children', Pediatric Resident Noon Conference Comer Children's Hospital. 1 hour.

10/2014 'The role of hypnotherapy in children', Pediatric Resident Noon Conference Comer Children's Hospital. 1 hour.

2/2015 'Acute GI Bleeding in Children', Pediatric Emergency Medicine Morning Report, Comer Children's Hospital. 1 hour.

2/2016 'Pediatric Constipation', Pediatric Resident Noon Conference Comer Children's Hospital. 1 hour.

12/2016 'Functional Abdominal Pain in Children,' Functional Pain Conference at Comer's Children's Hospital. 1 hour

10/2017 'Foreign Body Ingestions in Children', Pediatric Emergency Medicine Morning Report, Comer Children's Hospital. 1 hour.

11/2018 'Acute GI Bleeding in Children', Pediatric Morning Report, Comer Children's Hospital. 1 hour.

9/2019 'Constipation in Children, Pediatric Morning Report, Comer Children's Hospital. 1 hour.

7/2020 'Constipation in Children,' Pediatric Morning Report, Comer Children's Hospital. 1 hour.

7/2020 'Constipation in Children,' Pediatric Gastroenterology Fellow's Bootcamp Series Comer Children's Hospital. 1 hour.

(b) Clinical

2012- Daily rounding including ~4 pediatric residents during 6 weeks per year on service.

2012-2015 3 half-day clinics per week including ~1 resident per month

2015- 4.25 half-day clinics per week including ~1 resident per month

Continuing medical education: Not applicable

Other: Not applicable

Research trainees:

(a) High school students and teachers Not applicable

(b) Undergraduate (B.A., B.S.) Not applicable

(c) Medical (M.D.)

2016-2019 Jessica Strzepka. Presently medical student, University of Illinois College of Medicine, Chicago IL

(d) Graduate (Ph.D.) Not applicable

(e) Postdoctoral
