

UNIVERSITY OF PENNSYLVANIA - PERELMAN SCHOOL OF MEDICINE  
Curriculum Vitae

Kristle L. Lynch, MD

Address: 3400 Civic Center Boulevard  
750 Perelman Center for Advanced Medicine  
South Pavilion  
Philadelphia, PA 19104 USA

Education:

2005	BA	Northwestern University (Psychology)
2009	MD	Northwestern University's Feinberg School of Medicine (Medicine)

Postgraduate Training and Fellowship Appointments:

2004	Public Health Research Rotation, Universidad Panamericana, Mexico City, Mexico
2009	Clinical Rotation in Gastroenterology and Hepatology, Hospital Virgen de la Arrixaca, Murcia, Spain
2009-2012	Internal Medicine Resident, McGaw Medical Center of Northwestern University, Chicago, IL
2011	International Medicine Rotation, Centro Medico Humberto Parra, Santa Cruz, Bolivia
2012-2015	Clinical Fellowship in Gastroenterology and Hepatology, Johns Hopkins University School of Medicine, Baltimore, MD
2013	Clinical Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD

Faculty Appointments:

2015-2021	Assistant Professor of Clinical Medicine, University of Pennsylvania School of Medicine
2021-present	Associate Professor of Clinical Medicine, University of Pennsylvania School of Medicine

Hospital and/or Administrative Appointments:

2017-present	Advanced Esophagology Fellowship Program Director, Perelman School of Medicine at the University of Pennsylvania
2017-present	Director, GI Physiology Laboratory, Perelman School of Medicine at the University of Pennsylvania
2019-present	Director, Continuing Medical Education, University of Pennsylvania Perelman School of Medicine

Other Appointments:

2005-2009	Co-Founder, San Lucas Community Clinic, Chicago, IL
-----------	---

2006	Clinical Manager and Coordinator, Pre-Season Physical Examinations for Public High School Athletes, Chicago, IL
2010-2012	Internal Medicine Physician, Erie Family Health Center, Chicago, IL

Licensure:

2009-2016	Maryland Board of Physicians
2012-2014	Illinois Department of Financial and Professional Regulation
2015-current	State Board of Medicine Pennsylvania

Awards, Honors and Membership in Honorary Societies:

2011	Resident Teaching Award, Feinberg School of Medicine, Northwestern University, Division of Internal Medicine, Chicago IL
2012	Feinberg School of Medicine International Travel Grant, Northwestern University
2012	Resident Teaching Award, Feinberg School of Medicine, Northwestern University, Division of Internal Medicine, Chicago IL
2016-2017	Leadership Education and Development Program - American Society for Gastrointestinal Endoscopy

Memberships in Professional and Scientific Societies and Other Professional Activities:International:

2015-Present	International Society for Diseases of the Esophagus (Young Member Engagement Task Force Committee 2019-Present Website Committee 2019-2020)
2019-Present	World Organization on Specialized Studies for Diseases of the Esophagus (Member)

National:

2012-Present	American College of Gastroenterology (Member)
2012-Present	American Gastroenterological Association (DDW Abstract Review Committee - GERD: Diagnostic Testing 2019-2020, 2021-2022)
2012-Present	American Society for Gastrointestinal Endoscopy (DDW Annual Scientific Program Committee 2019-2022)

Academic and Institutional Committees:

2017-2018	Inpatient Epic delegate
2018	Planning Committee, University of Pennsylvania GI Fellows Program
2019-Present	Clinical Research Oversight Mentoring Committee, Member
2019-Present	Grand Rounds Task Force, Chair

Major Academic and Clinical Teaching Responsibilities:

2005-2006	Provided health care and educational lectures to those living in impoverished conditions, Matagalpa, Nicaragua, University of Pennsylvania
2011	Megaesophagus and Polyuria, Feinberg School of Medicine, Northwestern University, Chicago, IL
2012	Acute Gastrointestinal Bleeding, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Resident Rounds
2012	Acute Mesenteric Ischemia, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Resident Rounds
2012	Per Oral Endoscopic Myotomy: the New Standard of Care?, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Grand Rounds
2012	Enoxaparin Prevents Portal Vein Thrombosis and Liver Decompensation in Patients with Advanced Cirrhosis, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Journal Club
2013	A Unique Case of Dysphagia: Epiphrenic Diverticulum, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Grand Rounds
2013	Hepatic Encephalopathy for the Internist, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD
2014	GERD: Targeting the Acid Pocket, Johns Hopkins University School of Medicine, Division of Gastroenterology and Hepatology, Baltimore, MD, Journal Club
2015	Fellows Board Review: Esophageal Pathophysiology. The University of Pennsylvania Health System. Perelman School of Medicine
2016	What is the Clinical Significance of Esophagogastric Junction Outflow Obstruction? University of Pennsylvania Health System, Division of Gastroenterology and Hepatology, Philadelphia, PA. Interdisciplinary Rounds
2016-2017	Esophageal Anatomy and Pathophysiology, University of Pennsylvania Health System, Perelman School of Medicine
2017-2019	"Esophageal Anatomy" The University of Pennsylvania, Philadelphia, PA
2017-2019	"Esophageal Disease Basics for Nurses" The University of Pennsylvania, Philadelphia, PA
2018	The Lyon Consensus. Journal Club The University of Pennsylvania
2018	"Nuts and Bolts of pH Testing" University of Pennsylvania GI Fellows Program, Philadelphia, PA
2018	"Indications for pH Monitoring" University of Pennsylvania GI

	Fellows Program, Philadelphia, PA
2018	Course Director, University of Pennsylvania Esophageal Symposium, Philadelphia, PA
2019	"Eosinophilic Esophagitis - Too Much to Swallow?" Resident's Noon Report
2019	"Eosinophilic Esophagitis." University of Pennsylvania Esophageal Symposium, Philadelphia, PA
2019	Panelist, Eosinophilic Esophagitis Education Day, The Children's Hospital Of Philadelphia, Philadelphia, PA
2019	"Eosinophilic Esophagitis - Updates and Controversies." University of Pennsylvania Esophageal Symposium, Philadelphia, PA
2019	Course Director, University of Pennsylvania Esophageal Symposium, Philadelphia, PA
2020	"You Diagnosed Esophagogastric Junction Outflow Obstruction - What Are The Next Steps?" Clinical Research In Progress Meeting
2020	"Dysphagia Dysphagia Dysphagia!" Core Resident Lecture
2021	"Advancements in the Evaluation and Treatment of Esophageal Disorders." The University of Pennsylvania Gastroenterology Grand Rounds.
2021	"Everything You Need to Know About Esophageal Strictures" Fellows Lecture.
2022	"Dysphagia Overview" Fellows Lecture

Lectures by Invitation (Last 5 years):

Apr, 2017	"Dysphagia: Impact of the Chicago Criteria in Managing the Achalasia Spectrum of Esophageal Motility Disorders." The American College of Gastroenterology Eastern Regional Postgraduate Course. Washington, D.C.
Jun, 2017	"High Resolution Esophageal Manometry: Making Sense of the Chicago Classification." Society of Gastroenterology Nurses and Associates, Inc. Philadelphia, PA.
Aug, 2017	"The On-call Call." American Society for Gastrointestinal Endoscopy First Year Fellows' Course. Downers Grove, IL.
Aug, 2017	"Foreign Body Management." American Society for Gastrointestinal Endoscopy First Year Fellows' Course. Downers Grove, IL.
Aug, 2018	"Esophageal Dilation." American Society for Gastrointestinal Endoscopy First Year Fellows' Course. Downers Grove, IL.
Aug, 2019	"Eosinophilic Esophagitis - Too Much To Swallow?" Lehigh Valley Health Network Grand Rounds. Allentown, PA.
Sep, 2019	"Controversies and Treatment Updates in Eosinophilic Esophagitis" Christiana Care Health System. Christiana, DE
Oct, 2019	"Eosinophilic Esophagitis-Key Updates and Optimal Management." American College of Gastroenterology Annual Meeting and Postgraduate course. San Antonio, TX.
Nov, 2019	"How to incorporate FLIP in the management of Eosinophilic Esophagitis" World Organization for Specialized Diseases of the

- Esophagus. Beijing, China.
- Nov, 2019 "Does Mucosal Impedance Matter When Endoscopy is Normal?" World Organization for Specialized Diseases of the Esophagus. Beijing, China.
- Nov, 2019 "Eosinophilic Esophagitis: On Demand or Maintenance Therapy?" World Organization for Specialized Diseases of the Esophagus. Beijing, China.
- Dec, 2019 "Eosinophilic Esophagitis: Updates and Controversies" Delaware County Memorial Hospital Grand Rounds. Drexel Hill, PA.
- Jun, 2020 "What is EGJ outflow obstruction?" ANMS Virtual Symposia: Diagnostic and Therapeutic Approach to EGJ Outflow Obstruction.
- Aug, 2020 "EndoFLIP Live" American Neurogastroenterology and Motility Society 15th Annual Clinical course. Philadelphia, PA.  
\*Cancelled due to COVID-19 pandemic
- Aug, 2020 "FLIP technique and interpretation: standards and variations." American Neurogastroenterology and Motility Society 15th Annual Clinical course. Philadelphia, PA.  
\*Cancelled due to COVID-19 pandemic
- Oct, 2020 "Motility and Reflux Testing" Guest Panelist. Harvard GI Motility & Brain-Gut Disorders: Evidence vs Consensus. Boston, MA.
- Oct, 2020 "EndoFLIP Cases" 21st Annual Harvard Course in Neurogastroenterology and Motility. Boston, MA. Virtual platform.
- Oct, 2020 "Eosinophilic Esophagitis Cases" 21st Annual Harvard Course in Neurogastroenterology and Motility. Boston, MA. Virtual platform.
- Feb, 2021 "The Current Status of Esophageal Motility Disorders" Esophageal and Motility Grand Rounds. Stanford University, California.
- Feb, 2021 "GERD: Current Diagnosis & Evaluation" American Foregut Society. GERD Diagnostic Assessment Seminar. Philadelphia, PA via Virtual Platform.
- Apr, 2021 "EndoFLIP Impedance Planimetry System: Nuts, Bolts and Beyond" Medtronic Medical Education Program. Philadelphia, PA via Virtual Platform.
- Apr, 2021 "The Role of the Gastroenterologist in Diagnosing & Managing Eosinophilic Esophagitis" The American College of Gastroenterology Eastern Regional Postgraduate Course. Virtual Platform.
- Jul, 2021 "Applying the 2020 Eosinophilic Esophagitis Guidelines to Practice" ReachMD  
<https://reachmd.com/programs/gi-insights/applying-the-2020-eosinophilic-esophagitis-guidelines-to-practice/12624/>
- Sep, 2021 "A Curious Case of Chest Pain" American Foregut Society Annual Meeting, Nashville, TN.
- Dec, 2021 "Gastro Bites - GERD" American Gastroenterological Association, online platform
- Mar, 2022 "Controversies in Eosinophilic Esophagitis" Penn Allergy & Immunology Symposium, Keynote Speaker. Philadelphia, PA.

Apr, 2022 "Eosinophilic Esophagitis: Updates and Controversies," Michigan Division of Gastroenterology and Hepatology Grand Rounds. via virtual platform

Organizing Roles in Scientific Meetings:

Jul, 2014 Coordinator, 9th Postgraduate Course on Gastrointestinal Motility & Neurogastroenterology in Clinical Practice, Live course. Baltimore, MD.

Aug, 2020 Planning Committee. American Neurogastroenterology and Motility Society 15th Annual Clinical course. Philadelphia, PA.

Jan, 2021 Course Director, Regional Esophageal Physiology Testing Course Philadelphia, PA
