

# The Penn Sleep Centers

## CPAP Clinic

CPAP Clinic is a free service for all Penn Sleep Center patients using CPAP, Bilevel and ASV therapies. CPAP-Clinic is located onsite at:

Penn Sleep Center  
3624 Market Street  
Suite 201  
Philadelphia, PA 19104

You do not need an appointment or referral for CPAP Clinic, but you should try to come during your own home care company's session.

To attend CPAP Clinic, please sign in at the front desk. You will be seen on a first-come, first-served basis. CPAP clinic closes promptly at times listed below. Please call your home care company for an appointment if you are unable to be seen during CPAP Clinic.

### Services provided in CPAP Clinic include:

- Education on equipment set-up and cleaning
- Equipment troubleshooting
- Smartcard downloads
- Mask fittings
