6 to 6:30 pm
REGISTRATION & DINNER

6:30 to 8 pm
SCIENTIFIC PROGRAM

The purpose of this activity is to provide physicians, fellows, residents, physician assistants, hospitalists and advanced practice nurses in the areas of Internal Medicine, Family Medicine, Primary Care, Cardiology and Emergency Medicine with an introduction to advanced management of complex cardiac disease. Topics will include updates on dual antiplatelet therapy (DAPT), rhythm management options in atrial fibrillation and treatment options in advanced heart failure.

► SPEAKERS

Dual Antiplatelet Therapy (DAPT): Who, Why, Which Ones, How Long?

William H. Matthai, Jr., MD

Professor of Clinical Medicine
Director of Clinical Research, Cardiology,
Penn Presbyterian Medical Center

Rhythm Management Options in Atrial Fibrillation

Benjamin A. D'Souza, MD

Assistant Professor of Clinical Medicine

Treatment Options in Advanced Heart Failure

Stephen M. Chrzanowski, MD

Clinical Assistant Professor of Medicine
Medical Director, Ventricular Assist Device Program,
Penn Presbyterian Medical Center

► LEARNING OBJECTIVES

Upon completion of the program, participants should be able to:

- Discuss rhythm management options including medications and ablation for atrial fibrillation
- Identify appropriate patients for Dual Antiplatelet Therapy (DAPT) including specific drug selection and duration of therapy
- Describe the management of advanced heart failure including recognition of transition to advanced heart failure, referral to an advanced heart disease program and treatment options

ACCREDITATION & CREDIT DESIGNATION

The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
