

EXPANDING OPTIONS IN **Cardiovascular Disease**

▶ A CME-CERTIFIED COURSE

AGENDA

6:00 pm	Registration and dinner
6:25	Welcome
6:30	Dual Antiplatelet Therapy (DAPT): Who, Why, Which Ones, How Long? William H. Matthai, Jr., MD Questions and Answers
7:00	Rhythm Management Options in Atrial Fibrillation Benjamin A. D'Souza, MD Questions and Answers
7:30	Treatment Options in Advanced Heart Failure Stephen M. Chrzanowski, MD Questions and Answers
8:00	Evaluation and Adjourn

Program Overview

The purpose of this educational activity is to provide an introduction to advanced management of complex cardiac disease. Topics will include updates on dual antiplatelet therapy (DAPT), rhythm management options in atrial fibrillation and treatment options in advanced heart failure.

Target Audience

This course is designed for physicians, fellows, residents, physician assistants, hospitalists and advanced practice nurses in the areas of Internal Medicine, Family Medicine, Primary Care, Cardiology and Emergency Medicine.

Learning Objectives

Upon the completion of this course, participants should be able to:

- Discuss rhythm management options including medications and ablation for atrial fibrillation
- Identify appropriate patients for Dual Anti-platelet Therapy (DAPT) including specific drug selection and duration of therapy
- Describe the management of advanced heart failure including recognition of transition to advanced heart failure, referral to an advanced heart disease program and treatment options

Accreditation

The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation of Credit

The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credits™**.

Penn Presbyterian Medical Center Faculty Listing and Planning Committee

Stephen M. Chrzanowski, MD

Clinical Assistant Professor of Medicine
Medical Director, Ventricular Assist Device Program,
Penn Presbyterian Medical Center

Barbara Lopez

Senior Education and Outreach Coordinator
Penn's Abramson Cancer Center

Linda Lafferty, RN

Penn Medicine
Physician Liaison

Stephen M. Chrzanowski, MD

Assistant Professor of Clinical Medicine
Medical Director, Ventricular Assist
Device Program

Disclosure of Relevant Financial Relationships

It is policy at the Perelman School of Medicine at the University of Pennsylvania for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provides products or services that may be relevant to the content of this continuing medical education activity. For this purpose, we consider relationships of the person involved in the CME activity to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Penn CME-certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information provided to the Penn Office of CME was found to contain relationships that created a conflict of interest relative to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

Staff in the Office of CME at the Perelman School of Medicine at the University of Pennsylvania (Mila Kostic, CHCP, FACHEP and Belinda Rose, CHCP), Planning Committee Members (Stephen M. Chrzanowski, MD, Cynthia Griffo, RN, MS and Barbara Lopez) and the Senior Peer Reviewer, Zalman Agus, MD, have reported that they have no relevant financial relationships with any commercial interests related to the content of this educational activity.

The following faculty has disclosed that they have **no relevant financial relationships** with any commercial interests related to the content of this educational activity:

FACULTY NAME

Stephen M. Chrzanowski, MD

The following faculty has reported the **relevant financial relationships** with commercial interests related to the content of this educational activity.

<u>Faculty Name</u>	<u>Name of Commercial Interest</u>	<u>Relationship</u>
Benjamin D'Souza, MD	Biosense Webster	Speaker
	Medtronic	Speaker
	St. Jude Medical	Speaker
William Matthai, MD	Johnson and Johnson	Grants/research support and stock

Relevant Financial Relationships: Financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g. stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership and other activities from which remuneration is received or expected.

Investigational and/or Off-Label Use of Commercial Products and Devices

The Perelman School of Medicine at the University of Pennsylvania requires all faculty to disclose any planned discussion of an investigational and/or off-label use of a pharmaceutical product or device within their presentation. Participants should note that the use of products outside FDA-approved labeling should be considered experimental and are advised to consult current prescribing information for approved indications.

There will be no discussion of investigational and/or off-label use of pharmaceutical products or devices within the presentations.

Acknowledgement of Commercial Support

We gratefully acknowledge the following company for providing an educational grant in support of this continuing medical education activity:

Bristol-Myers Squibb/Pfizer

Acknowledgement of Commercial Support

Exhibitor

Astra Zeneca
